Occasionally the pupils of the school partake in activities where images of them are obtained for publicity purposes. These may take the form of videos or photographic images and be used for displays, video analysis & coaching (in school/sports hall).

Pupils may also take part in events (workshops, inter-school activities) where external agencies may ask for publicity images (e.g. Hexham Courant) or where images may be distributed to a wider audience (e.g. Prospectus, Newsletters or through web links).

Please indicate the level of consent you wish to give regarding the taking and use of images involving your child

I do not give consent for images of my child to be used or distributed internally or externally

I give consent for images of my child to be used internally to the school only

I give consent for images of my child to be used internally and externally to the school and understand that the image(s) may be distributed to a wider audience for publicity purposes

*I understand that I can withdraw or change my consent at any time but I will let the school know immediately of my decision **before** any event that may be affected by my decision.*

I understand that this consent, unless changed by myself or an appropriate third party, will remain for as long as my child is attending Allendale Middle School.
